Dell Colour Laser Printer 1320c

EASY TO BUY, USE AND OWN PRINTERS WITH DELL™

EASY TO BUY

- Outstanding value - Dell's lowest priced colour laser printer
- Best price performance - Great value for home or small office use
- Dell Direct Advantage: buy online or through our professional sales team

EASY TO USE

- Highly reliable with a simple, flexible, intuitive design
- Trouble-free maintenance with easy-to-fit no-mess toner cartridges
- Localised printer driver and documentation in 13 languages
- Vibrant and crisp laser-sharp output quality in stunning colour

EASY TO OWN

- Small footprint, lightweight unit fits even the smallest spaces
- High-performance - print speed up to 12 A4 pages per minute in colour, 16 ppm in monochrome
- Single point of accountability from a global brand name and industry-leading Dell service and support

Printing in colour is affordable! With the **Dell™ Colour Laser Printer 1320c**, our lowest-priced colour laser, you'll never be restricted to monochrome printing again. Whether you're at home or in the office the 1320c will enable you to print crisp, laser-sharp professional-quality colour documents, for office, home or school, quickly and easily. The 1320c is easy to install and easy to use: consumables are easy to buy and easy to fit, and for maximum flexibility a wide range of media types are supported. Best of all, with its compact space-saving design and small footprint the 1320c will fit onto any desk.

With exceptional price performance and low running costs per printed page, the 1320c is as reliable as a mono laser printer and easily adaptable to your growing business. Its robust duty cycle of up to 35,000 pages per month makes it easy to keep up with the busiest office; the 1320c is fitted with a fast USB connection for use as a personal printer, or an optional network connection allows sharing the printer within a workgroup.

The 1320c comes standard with 12 months Next Business Day exchange service and 24 x 7 online Technical Support for the life of the product. Installation support and extended service options up to five years from date of purchase are available if required. From installation to management, the Dell 1320c is easy to use, economical to operate and the perfect replacement for high running cost inkjet printers or as an upgrade for a monochrome laser.

THE DELL COLOUR LASER PRINTER 1320c DELIVERS:

Technology you need

- Fast colour printing – up to 12 A4 pages per minute and 16 A4 monochrome pages per minute
- Crisp text and graphics with pin-sharp 600 x 600 dots-per-inch (dpi) resolution
