

Slim and Secure Portable USB 3.0 Storage

MiniStation™ Plus

MiniStation™ Plus offers high performance USB 3.0 portable storage in a compact and lightweight shock proof chassis. With USB 3.0 support and backward compatibility with USB 2.0, it works with any PC or Mac®, providing interface speeds up to 5Gbps*.

MiniStation™ Plus occupies minimal space and it's USB powered so there are no additional cables to manage and no need for a separate power source; simply plug it into any available USB port on your computer and instantly add capacity or store files to take on the road. With available 256-bit AES hardware encryption, you can easily protect your data from unwanted access by simply assigning a password. Store, back up and transport your content with SuperSpeed plug and play connectivity.

up to **3X FASTER**
TRANSFER SPEEDS
Compared to USB 2.0 Hard Drives

Features and Benefits

Compact and Lightweight: Super slim, lightweight chassis saves space for ultimate portability with a stylish, sophisticated design

USB Powered: Perfect companion for your laptop or netbook - no external power supply needed

Shock Absorbing Chassis: Shock protection elements help protect the hard drive from accidental bumps and drops

SuperSpeed USB 3.0 with TurboPC: Enhance the overall performance of your PC and increase file transfer rates up to 3X over USB 2.0 hard drives

Native USB 3.0 and USB 2.0 compatible: Support for legacy USB 2.0 and SuperSpeed 3.0

Connect & Go: Preformatted hard drive is ready for immediate use with Windows®

Hardware Disk Encryption: Optional 256-bit AES Full Disk Encryption (FDE) protects your data from unauthorised access

Buffalo Tools: A feature-rich software suite of tools designed to boost PC performance and enhance your digital life

Back Up Your Files: Buffalo's Backup Utility automatically backs up your Windows PC, protecting your data

Time Machine® Compatibility: Works perfectly with Time Machine to back up your Mac computer

eco Manager: Eco minded power management tool regulates power usage, conserving energy and battery consumption

2-Year Warranty
