

MetroFi 220vi

Look good, sound even better.

You expect more from your earphones, style as well as crisp sound. More than just a pretty package – MetroFi 220vi earphones give you clarity, smooth range and a clean thump in a sleek design. Listen to your very own personal soundtrack as you commute, run errands or do whatever it is that makes you “you”. The MetroFi 220vi keep you in touch with the world around you while letting you hear your music clearly. The titanium-coated speaker delivers deep bass and clear treble, giving you seriously clear sound that doesn’t need to blast your ears for you to hear every note, or every car horn. The comfortable, compact design sits securely in your ears while you go about your day. And with a pocket-size carrying case, the 220vi can go with you everywhere even when you’re not wearing them.

Titanium-coated speaker delivers a crisp sound signature
