

SuperFi 4

Get absorbed into your music.

Get absorbed into your music – SuperFi 4 earphones. You won't have your music, your music will have you. Put them on and you'll understand. The compact design gives you crisp and clean mid and high tones with a bite and a detailed bass. You'll hear just what you intended to hear. And certainly never like this before. Word to the wise: there's no going back to using the free ear buds provided with your newly-purchased listening source. You have finally heard music as it was meant to be heard. Congratulations.
