

Familiar desk phone features

Optimised for Microsoft® Office Communicator 2007 and Microsoft® Lync™

Calisto® 540

Enjoy the convenience of a traditional desk phone to manage PC calls

The Calisto 540 USB desk phone bridges the gap between traditional phone functionality and PC communications. A backlit LCD display shows incoming caller ID, time and user's online status. The integrated speakerphone and headset option provides hands-free convenience, without compromising the PC audio clarity.

IDEAL FOR:

- Users transitioning to PC telephony

Simply Smarter Communications™
