

## RESHAPING THE AFFORDABLE HOME COMPUTER

Lenovo C200

Fun is an all-in-one PC that's as affordable as a desktop computer; introducing the Lenovo C200.

The 18.5" widescreen Lenovo® C200 reshapes how an affordable home computer should look, and redefines how much an all-in-one PC should cost. With the optional NVIDIA® ION™ 256MB graphics processor<sup>1</sup> you can enjoy high-definition video, plus a full range of other basic computing features including an integrated DVD reader/writer, the Lenovo High-Sense Webcam for clearer video chats, and a card reader for viewing photos from your digital camera. Easy to set-up and use as first or secondary computer in the home, Lenovo® C200 is a perfect fit for any room in the house.
