

WARPAD™

WITH **EDGELESS SUPPORT SYSTEM™**

The XFX WarPAD™ provides a gaming surface that isn't rough around the edges. This unique gaming pad is designed to eliminate friction and discomfort during vigorous gaming. The XFX WarPAD™ also features the Edgeless Support System™ that angles and cushions your wrist and forearm during continuous game play. The XFX WarPAD™ effortlessly clamps onto the edge of a desk, allowing you to game freely, without having to rub your forearm on the rough edge of a desk
