HP Top Value Cash Back Offer – BOGOF on HP Smart Drives

Purchase 2 HP Smart Drives for the price of one when bought with any qualifying HP ProLiant DL360p, DL380p or DL385p Gen8 Top Value server.

HP Smart Drives

Processor and memory performance have grown in step with Moore's law while storage has lagged behind. Multi-terabyte drives are now common and necessary to keep pace with the data explosion caused by large volumes of unstructured data, demand for digital content, data-intensive applications, and real-time analytics. The need for drive solutions that are equipped to handle larger amounts of data, improve performance, reduce overall initialization time, and protect against multi-day outages and data loss is critical.

The new HP SmartDrive for HP ProLiant Gen8 servers can help do all of this and more. As part of HP Smart Storage solutions that come with entirely re-designed 2.5-inch small form factor (SFF) and 3.5-inch large form factor (LFF) hot-plug carriers, HP ProLiant now supports up to 50 per cent more drives per server and up to 25 drives in a 2U configuration.

How to qualify

Simply purchase any qualifying HP ProLiant DL360p, DL380p or DL385p server, together with your required number of qualifying HP Smart Drives between 1st August and 31st August 2013, complete this claim form and HP will refund the cost of one Smart Drive for every 2 purchased.**
